

**"PLAY HANDBALL FOR THE CURE"**

The Inner City Handball Association will host the 23<sup>rd</sup> Annual City Council Speaker's Cup Handball Tournament (*formerly the Mayor's Cup*) on July 15 & 16, 2017 at Central Park North Meadow handball courts in Manhattan.

What makes this event special is that it not only shows spectators that we care about our sport but that we care about saving lives.

We need your participation in the City Council Speaker's Cup to allow us to promote awareness of Leukemia and Lymphoma Blood Cancers. Every year tens of thousands of Americans are living with a form of blood cancer, every 5 minutes someone is diagnosed with a blood cancer, and every 10 minutes someone passes away from a blood cancer. Since 2004, the ICHA through proceeds from the City Council Speaker's Cup has donated a total \$50,000 to the Jim Jacobs Research Fund for Leukemia and Lymphoma Cancer. This year our goal is to donate \$5,000 or MORE at the finals of the City Council Speaker's Cup for a total of more than \$55,000.

**WAYS YOU CAN HELP:**

1. Enter the City Council Speaker's Cup tournament and have a great time helping a great cause.
2. Join the Inner City Handball Association (\$10 of your membership will be donated to the Leukemia / Lymphoma Cancer Research Fund).
