

Letter from the President

Dear friends and supporters,

My name is Christian Vasquez I am the new President of the Inner City Handball Association. I have been a board member for the past six years and I am honored to continue in the footsteps of the founding President, Paul Williams, and continue his work in this excellent youth organization.

This year we are increasing our recruiting efforts for volunteers, hoping that we can expand our clinics while offering mentorship to the youth members of the organization. The association has a proven track record of successfully providing guidance and opportunities to many youth who have grown into exemplarily adults in many aspects of their lives.

Your support has enabled ICHA to fulfill its mission to “provide creative, safe, inexpensive, fun activities that combine athletics and academics for young people from all communities.” However we can only continue to do this with your continued support.

Your volunteer efforts and donations have been instrumental in the success of the association. I look forward to meeting all of you and working with you in the future.

Sincerely,

Christian Vasquez
President
Inner City Handball Association
